Getting Paid

Kupata Malipo

5

EN

After completing a shift, your payment is automatically calculated from the flat rate agreed when you applied. An AfyaWork admin approves it, then it is sent to your mobile money account — usually within a few business days.

SW

Baada ya kukamilisha zamu, malipo yako yanakokotolewa kiotomatiki kutoka kwa kiwango kilichokubaliwa. Msimamizi wa AfyaWork anaidhinisha, kisha inatumwa kwa akaunti yako ya pesa ya simu — kawaida ndani ya siku chache za biashara.

EN

Overtime: If the facility approves more hours than scheduled (by 60+ minutes), overtime is added at TZS 5,000 per extra hour.

SW

Muda wa Ziada: Ikiwa kituo kinakubali masaa zaidi kuliko yaliyopangwa (kwa dakika 60+), muda wa ziada unaongezwa kwa TZS 5,000 kwa saa.
